

I am outraged by Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election.

In exchange for using the public airwaves free of charge, Sinclair is obligated by law to serve the public interest. But instead they air blatantly partisan political propaganda and call it news.

Sinclair's actions demonstrate clearly why we need to strengthen media ownership rules, not weaken them. Concerned citizens, including myself, demand that you thoroughly review this unethical behavior.

Thank you.
